Express Rail Link – Drill and Blast Works In Tsuen Wan District

To facilitate the construction of the Express Rail Link in Tsuen Wan district, drill and blast works will be carried out at the work site at Cheung Wing Road from mid-November 2010. The approximate schedule of the blasting works will be posted on the notice board in your village one week before the blast. On the day prior to each blast, we will notify your Village Representative about the exact time of the blast. Signage for the blasting schedule will be erected outside the work site on the day of blasting.

Drill and blast works will be carried out under the stringent scrutiny of qualified professionals in compliance with relevant statutory requirements.

We apologise for any inconvenience caused. Should you have any enquiries, please call the MTR Projects Hotline at 2993 3333 or Ms Niki Fong, Community Liaison Officer of the MTR Corporation at 2208 3095.
