29 November 2011

Dear Occupants of Cheung Shan Estate

## Notice

### **Express Rail Link – Drill and Blast Works in Tsuen Wan District**

The drill and blast tunnelling works in Tsuen Wan district for the construction of the Express Rail Link had started from the works site at Cheung Wing Road since November 2010.

According to the estimated work schedule, it is expected that the tunnelling works will go underneath Cheung Shan Estate area in late December 2011. The designed tunnel is located approximately 120m deep underground. Please rest assured that stringent control measures will be adopted in accordance with relevant statutory requirements and the potential impacts including vibrations and noise are expected to be minimal.

A weekly blasting schedule will be posted on the notice board in your estate to provide you with adequate information in advance. On the day prior to each blast, we will notify the Management Office of your estate about the expected time of the coming blast of the following day. An information board showing the blasting time table of the day will also be erected outside the works site for public information.

We apologise for any inconvenience caused. Should you have any enquiries concerning the above matter, please call our MTR Projects Hotline at 2993 3333.

Yours sincerely

Jenny Tam  
Projects Communications Manager
